## About Sridev Suman Uttarakhand University:

Sridev Suman Uttarakhand University was established as a State University of Uttarakhand, with the State Government notification No 270/XXXVI (3)/2012/48(1)/2012 dated 19th October 2012, following the amendment of the erstwhile Pt. Deen Dayal Upadhyay Uttarakhand Vishwavidyalaya Act in 2011. The university is nestled amidst the picturesque Himalayan ranges in Tehri Garhwal and has jurisdiction over seven districts, including Chamoli, Raudraprayag, Pauri, Tehri, Uttarkashi, Haridwar, and Dehradun in the Garbwal region of Uttarakhand. The university's Badshahithaul campus is strategically located between Chamba and New Tehri, offering a breath-taking view of the snow-capped Himalayas and the enchanting Bhagirathi Valley. With its location on the Delhi-Gangotri national highway. it enjoys seamless connectivity with major areas of the country, making it accessible to students and faculty members alike.

## About the Campus:

The Pt. Lalit Mohan Sharma Campus in Rishikesh, formerly an autonomous college known for academic excellence in Uttarakhand, is now the university's new campus. The Government of Uttarakhand converted it to align with the city's historical significance. Rishikesh, combining "Hrishik" (senses) and "esh" (God or master), is considered an ideal place for acquiring knowledge through hard work and devotion. Nestled against the Himalayas, with the Ganga River flowing through, the ancient town is adorned with temples, drawing pilgrims year-round. Hindu devotees believe that rigorous practices in this holy town lead to spiritual liberation or 'Mukti."

## About the Program:

National Science Day is celebrated in India on February 28 each year to mark the discovery of the "Raman Effect" by Indian physicist, Sir C. V. Raman on February 28, 1928. For his discovery, Sir C.V. Raman was awarded the Nobel Prize in Physics in 1930. The theme of National Science Day for 2024 is "Indigenous Technologies for Viksit Bharat". It emphasizes the importance of leveraging indigenous knowledge and innovations to foster the development and progress of India. This theme encourages exploration, discussion, and celebration of traditional and modern technologies that advance various sectors such as culture, healthcare, environment, and industry. It also highlights the significance of preserving and promoting indigenous wisdom in addressing contemporary challenges and achieving sustainable development goals.

Seminar on Indigenous Technologies for Viksit Bharat in commemoration of National Science Day on 28.02.2024

- 21 November 1970 November 1888

**Department of Mathematics** Pt. L. M. S. Campus, Rishikesh Sri Dev Suman Uttarakhand University

**Chief Patron** 

**Campus Director** 

Prof. G.K. Dhingra Dean, Faculty of Science

Prof. Anits Tomar Head Department of Mathematics

Prof. Dina Sharma

- Dr. Gauray Varshney
  - Dr. Shivangi Upadhyay

Speaker

Prof. Liliana Guran **Babes-Bolyai University** Cluj-Napoca, Romania
